Young women from disadvantaged communities to benefit from the Mampeule Foundation 2022 Annual High Tea's R 250 000

"The Mampeule Foundation Annual High Tea presents an opportunity for everyone to make a meaningful contribution to the noble cause of growing and supporting our Foundation's objective to improve the quality of life and access to opportunities for marginalised communities across South Africa and the globe," said co-Founder of the Mampeule Foundation, Makentse Mampeule.

18twenty8 welcomed the donation from the Mampeule Foundation. The donation will play an instrumental role into the fight against gender-based violence. It will also contribute to a GBV follow-up project with 198 Grade 12 learners at Kingsway Secondary School.

The project will gauge the learners' perceptions and how they navigate GBV as a result of the 2022 project.

Furthermore, 18twenty8 will augment and play a portion of the funds into its annual leadership development camp for undergraduate young women for 18 university students from different campuses across South Africa.

"I am profoundly humbled by the overwhelming support that we continue to get from ordinary folk through their participation in the Mampeule Foundation Annual High Tea event. This support will go a long way to ensuring that through 18twenty28 young women from disadvantaged backgrounds are educated and empowered to position themselves at the nexus of every decision made in our society", said co-Founder of the Mampeule Foundation, Makentse Mampeule.

About 18twenty8

18twenty8® is an award-winning, women-led Non-Profit Organisation that empowers young women by developing strategies for their educational and personal development. The NPO offers interactive life-skills workshops for girls in grade 11 and 12 at high schools in marginalised communities and runs Big Sister Network mentorship programmes that match undergraduate young women to professional women for psycho-social support and career exposure. The NPO also provides financial assistance for young women to cover the costs of any degree and runs a leadership development camp for undergraduate young women.
